Agent *biography*

I was born and raised in Birmingham, Alabama. After graduating from the University of Montevallo in 2001, and longing for new experiences, I packed up and moved out west with my husband. Crested Butte was the first stop on a road trip adventure through Colorado. Traveling throughout the United States, and Europe, has provided me with the life experiences to appreciate the beauty of this valley. I couldn't imagine living anywhere other than the majestic mountains of Colorado. I feel like life has prepared me to be a real estate broker. I am the kind of person who has a knack for finding exactly what people want. My extensive background in interior design sharpens my love of detail and provides a unique vision for potential possibilities. I will research every opportunity with relentless energy and a "get the job done" attitude.

I am a committed and passionate full time real estate professional who prides myself on putting my clients' satisfaction above all else. My determination and attention to detail allows my clients to receive first class service with utmost integrity. What keeps me here is the unparalleled quality of life that living in this spectacular valley brings. After hours, you'll find me spending time with my husband, hiking, biking, kayaking, skiing, snowboarding, playing tennis, or gardening.

I am thankful that because of my real estate career, I can give back to the community that has already given me so much. My love for this community compels me to donate a portion of my commissions to the local Fallen Fire Fighters Fund, or any charity of the buyer's choice.
