5. Value of the Real Estate Professional

Experience Matters... And when you work with me in buying or selling a home, we work together as a team to ensure that you get the best possible deal.

As a full-time REALTOR serving the Metrowest since 1992, I believe I have the necessary experience to negotiate the best possible price and terms for you. Being a Certified Residential Specialist (CRS – less than 4% of all REALTORS in the U.S. hold this designation) and a Graduate of the Realtor Institute (GRI) has provided me with the advanced marketing knowledge and skills required to make your transaction as smooth, pleasant, and rewarding as possible.

Over 70% of my business comes from repeat buyers and sellers and personal referrals. Satisfied clients are my primary goal.

As a Natick resident, homeowner and parent of a child in the Public School system, I am personally committed to the community. The relationships I have built throughout the community and my extensive personal knowledge of the area will work to your advantage when you use me to represent you in the purchase or sale of your home.

My objective is to listen closely to your needs and work diligently to assist you in meeting your real estate goals. When you are an informed buyer or seller, you'll make the best decisions for the most important purchase or sale in your lifetime. That's why I strive to keep you informed on trends in the marketplace using the latest statistics in your local area.

My areas of expertise are residential real estate in the Natick, Wayland and Framingham, Massachusetts markets, as well as the surrounding Metrowest Boston area. I have helped buyers and sellers in over 30 Massachusetts communities.

If you are considering buying or selling a home or would just like to have additional information about real estate in your area, please don't hesitate to contact me.

A portion of every commission I receive goes to support the Children's Miracle Network.
